RESOLUTION TO CREATE A CONGRESS SEAT REDISTRIBUTION SUBCOMMITTEE TO RESEARCH POPULATION TRENDS AND PROPORTIONAL DISTRIBUTION OF CONGRESSIONAL SEATS.

WHEREAS, this committee believes that the current distribution of IUSA congress is not consistent with the population distribution of Indiana University.

WHEREAS, proper distribution of congressional seats is required for proper representation.

WHEREAS, research could lead to a more effective representative congress.

THEREFORE LET IT BE RESOLVED, the IUSA Student Body Congress will create a voluntary subcommittee to research the distribution of population and seats within IU.

THEREFORE LET IT FURTHER BE RESOLVED, that the subcommittee will report to the IUSA Oversight and Reform Committee their findings.
