CONGRESSIONAL RESOLUTION NO. 14-15-21

Sponsor(s): Ben Cowley, Maurer School of Law Representative
Filed on October 14, 2014 Considered on October 20, 2014 with a final disposition of (Passed Unanimously)

RESOLUTION TO MAKE DOUBLE SIDED PRINTING THE DEFAULT SETTING ON IU BLOOMINGTON CAMPUS COMPUTERS

WHEREAS, currently the default setting for printing options is one-sided and has to manually be switched to double-sided printing

WHEREAS, IUPUI recently instituted double sided printing as the default setting on all their campus computers

WHEREAS, Indiana University is committed to bettering the practices of conservation and responsibility to the environment as showcased by IU’s Office of Sustainability

WHEREAS, switching the default printing setting to double sided would not only cut costs that IU could use elsewhere to better campus, but it also lessens the waste of paper

WHEREAS, the savings associated with the reduction in paper consumption should be partially attributed to IU-Bloomington student printing fees or sustainability initiatives at Indiana University

THEREFORE LET IT BE RESOLVED that the executive branch of IUSA in conjunction with other departments or groups with a vested interest in technology services at IU shall come together to discuss the possibility of implementing this default setting in order to cut wasteful paper practices along with cutting unnecessary spending.
